DETAILED ACTION

1. This office action in response to communication filed on 4/1/2004.

Claim Rejections - 35 USC § 102

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-159 are rejected under 35 U.S.C. 102(b) based upon a public use or sale of the invention.

The second supplemental declaration under 37CFR 1.131 filed on 5/20/2003 on page 5 admitted that Exhibit 9 is a "direct marketing program involved the generation of 1,700 communications. Prior to December 29, 1995, these communications were automatically generated in the manner described in the '434 Patent and '086 Application, using the software discussed above". It appeared public use of the product more than year, it creates a bar under 102(b).

3. An issue of public use or on sale activity has been raised in this application. In order for the examiner to properly consider patentability of the claimed invention under 35 U.S.C. 102(b), additional information regarding this issue is required as follows: detailed information on the product for sale or the specific public use of the product.

Applicant is reminded that failure to fully reply to this requirement for information will result in a holding of abandonment.
